

Insurance:

We do NOT accept insurance at this time. A insurance-free environment allows us to be able to deliver expedited care to our patients.

If you have insurance, you may choose to pay out-of-pocket and receive a "superbill" which you can submit to your insurance for potential reimbursement.

Rates are located on our Home Page > "Book an Appointment."

If you have any questions or need assistance regarding insurance, feel free to contact us. We look forward to seeing you soon!

Sincerely,

APWC
